Delivery Room Monthly Teachings

Delivery Rooms teachings are constructed of three primary elements that includes a theme, a main point and minor points with an aim to be clear, coherent, and well-delivered in sharing Knowledge. Delivery Room combines these elements in different ways to create different types of deeper realm teachings. Each class focuses on a specific lesson and teaches that lesson using different elements from different books as well as merging with true life stories and everyday worldly issues.

Delivery Room Men's Conference

The Absence of Fathers is one of the biggest challenges currently facing Africa. Boys and Men that grew up without fatherly guidance or strong role models end up lining against a wrong wall of motivation.

We welcome different Local and International guest speakers, and host a series of talks and networking environments for Men.

Delivery Discipleship Academy

Men are trained to answer Men's Mental health questions, give counsel, communicate wisdom and assist Men who are struggling with social issues pertaining to Men's Mental Health.

Social Entrepreneurship Initiative

The Delivery Room believes everyone has a gift in them that needs to be awakened. The Social entrepreneurship initiative helps Men discover their ability to turn ideas into solutions. It involves creativity, innovation and risk-taking, as well as the ability to plan and manage projects in order to achieve objectives.

ELAGO NANTANA

THE SOLUTIONS PROVIDER

CHAIRPERSON OF
THE DELIVERY ROOM

About Elago

He is a chock full of charm, popularity, and wit. He is artistic, has unparalleled creativity, and searches for inspiration in everything he does. He is resilient and willing to step outside His comfort zone to create the life of his dreams which is Helping others reach their dreams. He is laid back and has a happy-go-lucky nature that makes him very easy to be around with. He is a warm, generous, and charismatic person, always willing to inject humour and words of wisdom into any situation.

He has a strong sense of responsibility and He is the one person everyone turns to for help. He is a great lover of friends, home and family and seeks to make peace rather than disturb it. He has an innate sense of beauty, harmony, and compassion and a strong calling to be a preacher, counsellor, peace-worker, evangelist, life coach and teacher. Because of His diplomatic nature, He is often called on to settle disagreements in both His private and professional life. He has a tendency to put his needs on the chopping block in order to help others but it's only because his Spirit Urges to work for a grand cause that supports his sense of contribution.

He is a bible believing gentleman, drawing his inspiration from Jesus Christ. His Work is led by Colossians 3:14 (And above all these put on love, which binds everything together in perfect harmony). Although He is set free and delivered from worldly bondages and All its Temptations & Desires, He made himself a Solutions Provider to everyone, so that He might gain more people to the mind of Christ. To the Rastafarians He becomes as the Rastafarians, that He might deliver Rastafarians; to the Children, He becomes like a Child, though not him being a Child, that He might deliver Children. To those that are blind He become as one with the Light, not that he is blind or without sight, but that He might give sight to the blind. To the weak, He become weak, that He might strengthen the weak. He became all things to all men a true African Solutions Provider, that He might at all costs and in any and every way save some by winning them to the Faith in Jesus Christ. And He does this for the sake of the Gospel, in order that he may become a participator as an Evangelist and share in its blessings, having favour of God and Men.
